Mission Statement: To develop a commitment to community through leadership.

October 13, 2025

The Anson County Chamber of Commerce and the Leadership Anson Oversight Committee are pleased to announce that recruitment is underway for the Leadership Anson Class of 2026.

The Leadership Anson program is ready to begin the recruitment of our 29<sup>th</sup> class. The program is designed to develop future leaders who will assume roles of responsibility in the workplace or in the community. Since its beginning in 1998, the Leadership Anson program has graduated more than 400 participants.

The 2026 program will begin with an all-day retreat in January and continue every other Tuesday beginning February through June, with Graduation being held in early-June.

Due to the importance of the retreat to the total experience, attendance at the retreat is mandatory.

**The tuition is \$525.** The Leadership Anson Oversight Committee is asking that your company sponsor a participant (or participants), paying his/her tuition fee and allowing time off with pay for each session.

Please have the applicant fill out the **enclosed application form** (copies of the form are acceptable) and **return it via email to: [scox@ansoncountychamber.org](mailto:scox@ansoncountychamber.org) by 5 p.m. on Friday, December 12<sup>th</sup>**. The application will be reviewed by the selection sub-committee and the applicant will be notified by January 3rd. Paying the tuition fee now is not required; if your applicant(s) is accepted, the Chamber will mail you a statement of account.

Sincerely,

*Sandy Cox, President & CEO*
